Dear Harold:

Just a note to acknowledge receipt of your letter of 8 June 1970.

I do not believe that I can add anything to the information that you already have concerning the noise problem over your farm. I wish you luck in your pending action.

If any of the articles are around that you have requested, I shall send you copies.

Most importantly, I hope that you will be successful in your forthcoming Freedom of Information actions against the Government. We all need a breakthrough, both for substantive and psychological reasons!

With kind regards.

Sincerely,

Cyril
